2020 Amendments to Orienteering Competition By-law

21.3

Any Complaint shall be made in writing to the organiser as soon as possible. A Complaint is decided by the organiser. The Complainant shall be informed about the decision immediately. If the organiser is unable to make the decision, the Event Controller shall decide in their place.

B.1.3 The map

The ISSprOM specification shall be followed. The map scale is 1:4000 or 1:5000. It is crucial that the map is correct and possible to interpret at high speed, and that the mapping of features that affect route choice and speed are accurate. In non-urban areas, the correct mapping of conditions reducing running speed, both to degree and extent, is important. In urban areas, barriers hindering the passage must be correctly represented and drawn to size.

Deleted A.1.5

Not more than 30 competitors shall be selected by the Technical Secretary (in consultation with the Training and Coaching Secretary and the Selection Secretary) to run in the WE or ME classes respectively in the Ranking League Competitions for a Competition Season. Overall Ranking League results of the WE, ME, W21 and M21 classes and other Championship results of the previous season shall be the main consideration but runners of other classes with comparable results shall also be considered.
